CHOOSE MIRANDI FOR PRESIDENT

Northwestern Alumni in South Bend Hold Initial Luncheon Friday.

Max Mirandi was elected president of the Northwestern University Alumni club at its initial luncheon Friday noon at the Nicholson inn. The luncheon was given as a part of a country wide celebration, known as "Northwestern night."

Dr. Walter B. Christopel of Mishawaka, was named vice president; Miss Marie Botes, Mishawaka, secretary-treasurer; Mrs. C. A. Thurber was chosen to appoint an executive board.

Telegrams of congratulation were received from the president of the university, A. W. Harris, from the Crawfordville and Grand Rapids, Mich., clubs. The message from the school head read as follows: "To all former students assembled to do honor to alma mater, I send the greetings of Northwestern university. As the years come she prospers in means and men and scope. She holds to her old ideals, standards and spirit. She craves your loyalty and support. Most cordially."

The members are arranging to make more elaborate plans for next year and will probably have the entire attendance of the 26 graduates of South Bend. Of these in the city there are 11 from the dental school; eight from medicine; two, oratory; three, arts; five, law; two, music, and the others non-graduates.

Dr. H. T. Montgomery, who graduated in 1875, was the oldest member at the luncheon, with John A. Tibberd, 1844, next. The guests for the day were: S. J. Crumpacker, Claude L. Geyer, Dr. Arthur L. Knapp, Dr. F. W. McCallum, Mr. Miranda, Dr. Albert R. Messick, Miss Gena Thompson, Miss Alina Quillen, Mrs. Thurber, Miss Botes, Dr. F. W. Vaughn, Mrs. James L. Gardiner, Dr. Christopel, and several invited guests.

AN OIL SHAMPOO THAT PRESERVES THE HAIR

If men would use EVERY WEEK ANTI-SEPTIC OIL SHAMPOO instead of the alkali shampoos and soaps which are so commonly used, they would preserve their hair rather than invite trouble. EVERY WEEK SHAMPOO dissolves and removes the dandruff (dry or oily), opens the hair cells, feeds and strengthens the furnished roots and leaves the hair clean, soft, fluffy, silky and the scalp healthy. A weekly application keeps the scalp clean, healthy and the hair in excellent condition.

The perfect shampoo for men, women and children. A large bottle (64 teaspoonfuls) 50c. For sale by Otto C. Bastian, Landon's Drug Store, Wetlock's, American Drug Co., Coonley's Drug Store, Nicholas Schilling's, Hans Drug Store, and other dealers in drugs and toilet articles.—Adv.

Early History of City Shown In Beautiful Tableaus

Civic Centers Present Six Pictures at High School Depicting Past and Present.

Six beautiful historical tableaus, representing the principal points of interest in the occupation and founding of South Bend, were presented for the approval of a capacity house at the high school auditorium last night. The program was varied by 11 other offerings put on by the local civic centers.

"The Spirit of South Bend," was the keynote of the whole program, which was presented to commemorate South Bend's part in the history of Indiana at this first centennial celebration. It is a picturization of the dry facts of history that gives them life and reality. The famous characters in the early history of South Bend lived again last night before the auditorium audience. The fearless explorers braved again the dangers of the trackless forests, and were met just as they were on their first visits by the kindly savages. The patient, sacrificing missionaries again met, the Indians and exerted their wonderful influences. The old settlers came back to tell of the South Bend of a hundred years ago.

Boasts of Achievements.
"South Bend Today," in the person of Roland Oberchain, appears and boasts of his achievements in a thousand different endeavors of the wonderful resources and accomplishments of the city on the St. Joseph, but his egoism is halted by "South Bend Past," taken by Miss Laura Harey, who unfolds to him and to the audience in a series of pictures, the contribution of the past to our South Bend. LaSalle lands at the portage; he treats with the Indians in the marvelous Miami treaty. South Bend is founded and then the intrepid Sorin realizes his dream in Notre Dame. The last Indian leaves the country and the great epoch marking improvements follow on his departure.

Demonstrates Possibilities.
The program is a demonstration of the possibilities of historical reproduction that should prove of great value to the producers of St. Joseph's Valley centennial celebration to be held next October. The assistance rendered by the musical numbers is not to be underestimated. Cavan Jones' beautiful solo, "Thora," by S. Adams, gave a delicious tone to the first part of the program. ACQUIT WOMAN IN FOUR MINUTES

Mabel Kline is Freed of Charge of Conducting Disorderly House.

Somebody telephoned the chief of police they thought Mabel Kline, 335 N. Emerick st., was conducting a house of ill fame. The police made a raid. Eight people were arrested. This was practically the evidence produced in the superior court yesterday when the defendant was acquitted. The jury was out about four minutes, long enough to take a ballot, sign the verdict and report. While the jury was "deliberating," Judge Ford asked Prosecutor Montgomery what he intended doing with the other cases against the six men and one woman arrested there.

"That depends on the verdict," said Mr. Montgomery. "If the jury brings in a conviction, we will prosecute the other cases."

"If the jury brings in a verdict of guilty," replied Judge Ford, "and on this evidence, I shall set aside the verdict and find for the defendant."

The jurors reported at that juncture.

The prosecutor then dismissed the charges of associating against Orvil Woolverton, Floyd Platz, Charles Williams, F. A. Hughes, Raymond Bakeman, Claude Miller and Fannie Banker.

All of these defendants appeared as witnesses for the defense. One of them testified that he was a brother, and had dropped in but 10 minutes before. Another boarded at the place; a third was a nephew; two had come to see one of the boarders in regard to some work, and the last called for the family washing, which was being laundered there.

DARIO RESTA TO APPEAR JUNE 4

Will Race Automobile With Aeroplane Driven By Catherine Stinson.

Springbrook will offer an unusual special attraction on Sunday, June 4, at which time an automobile and aeroplane race will be staged by Dario Resta and Catherine Stinson. Both of these drivers have acquired considerable fame. Resta established a record of an average speed of 97.6 miles per hour last June when he won the 500 mile auto race at the Chicago annual event.

Miss Stinson, though very young, is known as one of the most fearless of present day aerialists. Recently she has given sensational flights over New York city by night, employing fireworks and other pretentious methods to further interest in the cause of "preparedness." She was also given considerable press mention concerning her flights in Chicago which she made at night over the lake.

C. J. Allard, chairman of the amusement committee, booked the attraction on short notice and was very fortunate in so doing, learning that that date was the only open date of the racers this season.

Both of these famed racing artists will appear positively, he declared, at Springbrook park on the above date and will present a thrilling race over the half mile track at the park.

The park was formally opened today with all the attractions in complete working order. The Old Mill, the Human Laundry, Crazy House, Human Roulette Wheel and other novelties were open to the public for the first time. The many changes and improvements will be found interesting.

On Tuesday, Memorial day, the park will be ready to entertain the holiday crowds. In the evening the Mishawaka Woolen Co. band will give a special free concert of new popular numbers.

BACK FROM SARATOGA

Rev. J. L. Gardiner Returns from M. E. Conference.

The Rev. Dr. James L. Gardiner has returned from the general conference at Saratoga, and will preach twice at St. Paul's church tomorrow. His morning theme at 10:45 will be "The Church—Her Duties and Opportunities." In the evening at 7:30 he will preach upon "The Patriotism of the Soldiers of the Civil War." The sermon will be illustrated by the following motion pictures:

G. A. R. meeting at Rochester; Decoration day at the National Soldiers' Home, Sawtelle, Calif.; Abraham Lincoln's clemency. The Auden post will attend this service in a body.

59 BABIES ARE TESTED

Results to be Announced Early Next Week.

Results of the Baby week contest will be made known early next week, according to an announcement last night. Yesterday afternoon at 2 o'clock the examination was finished, 59 babies having been tested.

Altogether there were 137 children entered in the contest, it was expected to have the results by Sunday, but owing to the large number to be examined and to the fact that there are some unsettled points upon which the doctors will confer, the scores were delayed.

There will be no exhibit at the baby headquarters today, but tomorrow afternoon both the state and food displays will be open to the public.

FIX YARDS IN COUNTRY

Not all the work of improving the school yards is being done in the city for during the past week energetic people of the community near Ullery school on the Niles road have joined in generally fixing up the yard.

The work of leveling and terracing the yard was begun early Monday morning and is now almost completed. Members of the Roseland Home Economics club and the Clay township civic center have taken an active part in improving the grounds and each noon the women of the community served dinners to the self organized laborers.

CELEBRATES BIRTHDAY

Miss Maria Studebaker celebrated her 76th birthday yesterday at 501 W. LaSalle av. Her nieces and nephews arranged a surprise party in which a shower of roses was given. A large number of Miss Studebaker's friends and relatives were present facilitating her on the event.

GIRLS TO PICNIC

The High School Girls' Athletic association will enjoy its annual picnic today at "Pony" mile bridge. The day will be given over to sports. Eleanor Gaik, president of the association, expects at least 160 members to be present. A number of the lady members of the high school faculty will also attend.

Give Difficult Piano Recital From Memory

Misses Ottila Myers, Mary Gertsbauer and Genevieve Ernst, pupils of Miss Carolyn Walbridge did themselves and their teacher great credit Friday evening in a joint recital at the Conservatory recital hall. Each played a group of difficult selections and their program was charmingly varied with vocal numbers by a trio composed of Mesdames Julia M. Iode, Leta S. Duncan and Louise S. Iryan and by vocal solos by Lisle Kreighbaum, baritone, Glen Cover, tenor, and a violin solo by Miss Inez Haeske. Miss Valeria Bonardant and Miss Walbridge accompanied.

Miss Genevieve Ernst, the first to appear on the program, is taking the extension course offered by the Sherwood School of Music through Miss Walbridge. She recently passed with high honors an examination from that school and expects to continue the course until she has achieved a teacher's certificate. Her numbers on the evening's program included "Caprice Hungarian," "Andol," "Arabesque," Meyer Helmund; "Waltz in D flat Major," Chopin; "Shepherd's All and Maidens Fair," Nevin; "Serenade," Sinding; "If I Were a Bird I Would Fly to Thee," Hensel, and "O Thou Sublime Sweet Evening Star," Wagner-Liszt.

Miss Myers' group comprised "Hark! Hark! the Lark," Schubert; Liszt; "The Maiden's Wish," Chopin; Liszt, and "Ballad in A flat Major," Chopin, while Miss Gertsbauer contributed "Waltz in A flat Major," Chopin; "Pierrette" and "Air de Ballet," C. Chaminade.

One of the remarkable features of their playing was the fact that none of the selections were played from notes. Their entire program, difficult as it was, was rendered from memory. Their interpretations were delightful, especially so considering the youth of the performers.

The recital was enjoyed by an audience of more than 50 friends of the participants and patrons of the conservatory.

W. R. C. WILL HOLD SERVICES ON TUESDAY

Auten W. R. C. No. 14 will hold its Memorial services at the soldiers' monument Tuesday morning at 10:30 o'clock. HOLD FIELD DAY

Laurel school children held their annual field day at the Oliver playground yesterday afternoon. Besides the folk dancing and figure marching there were relay races between teams chosen from the entire school, a tug of war and circle games.

After the May pole dance the children united in singing "America."

Kills Policeman, Then Barricades Self in Boat House to Give Battle.

SAN FRANCISCO, May 27.—Barricaded in a boat house on the edge of San Francisco bay, a desperado fought a gun and revolver battle Friday with 50 policemen who surrounded him after he had killed Police Sgt. John J. Moriarty. The defender was found dead when the police finally captured the boat house after shooting the lock off the door.

The bandit poured a stream of bullets at his uniformed pursuers until fatally wounded. The police found many shotguns, rifles, automatic revolvers and stores of ammunition. The name "M. E. Jones" was found on the tailor's label on the dead bandit's coat.

The bandit had taken refuge in his house boat after he killed Moriarty who was arresting him for passing counterfeit money on street cars.
